

## KEY EXPERTISE

HTML CSS Java MySQL Git Javascript

## EDUCATION

### Parul University

Inte. M.C.A. - Full Stack Web Developer - PICA | CGPA: 8.61 / 10

2022 - 2026

### Sri Chaitanya Junior Kalasala, Hyderabad

12<sup>th</sup> | TSBIE | Percentage: 95.50 / 100

2022

### Raja Bahadur Venkata Rama Reddy Model High School, Kothakota

10<sup>th</sup> | BSET | CGPA: 10 / 10

2020

## PROJECTS

### MiniBank-Java

Key Skills: OOPs Exception Handling Core Java Collections

Project Link: <https://github.com/bharathboienipalli/MiniBank-Java>

Developed a console-based ATM application using Java that allows users to create and log in to accounts. Implemented core banking functionalities including deposit, withdrawal, money transfer, and balance inquiry.

### GatePassTracker

Key Skills: HTML CSS JSP JDBC

Project Link: [https://github.com/bharathboienipalli/University\\_GatePass/](https://github.com/bharathboienipalli/University_GatePass/)

Developed a web-based system for students to request gate passes and for administration to approve or reject them. The system manages requests, tracks approvals, and stores data securely to streamline campus access control.

## ASSESSMENTS / CERTIFICATIONS
